Summer is here and that means it is time to kick off the Summer Movie Series! The entire family is invited to join us poolside at the Tuscan Lakes Dive-In Movie, **Friday, July 23rd**. Bring your lawn chairs, floating devices and coolers, and enjoy a Dive-In

Movie Pool Side. The Feature Film is Old Dogs rated PG. The movie begins at 8:30 pm so get there early to save your spot and enjoy free popcorn.

Old Dogs: Two best friends -- one unlucky-in-love divorcee and the other a fun-loving bachelor -- have their lives turned upside down when they're unexpectedly charged with the care of 7-year-old twins while on the verge of the biggest business deal of their lives. The not-so-kid-savvy bachelors stumble in their efforts to take care of the twins, leading to one debacle after another, and perhaps to a new-found understanding of what's really important in life.

The Summer Dive In Movie Series is sponsored by JSC Federal Credit Union.

WHAT'S NEW IN TUSCAN LAKES?

There's always something new in Tuscan Lakes, and the Tuscan Lakes' Community Services Foundation plays a big role in bringing new amenities to our residents.

This summer, the Foundation has invested in sprucing up - and making safety first - in our community. The Foundation is helping residents beat the heat this summer by purchasing and installing three (3) new umbrellas for the pool, just in time for the July 4th weekend.

The Foundation has also ordered two (2) speed detecting radar speed limit signs for Austin Street, scheduled for installation in July. The signs will monitor vehicle speed to provide a cautionary reminder to motorists if they are exceeding the speed limit and to assist our police department with recorded data of traffic movement on Austin Street.

"Investing in quality of life resources for our residents is part of the mission of the Tuscan Lakes' Community Services Foundation," said Bob Douglas, General Manager of Tuscan Lakes. The Foundation's goal is to support projects in five primary areas for Tuscan Lakes:

- Community events, including clubs, groups, & sports
- Health and wellness
- Technology
- Education, and
- Environment

The Foundation's, and Johnson Development Corporation's, commitment to the community has made Tuscan Lakes appealing to many new residents. This year, home sales are up 65% over 2009. "We remain committed to making Tuscan Lakes the best neighborhood to live and raise your family," said Douglas.

And with new facilities and services, and new neighbors, the future looks bright for Tuscan Lakes and its residents!
