

Magnifico! Tuscan Lakes is a master-planned community brimming with activities that keep residents on the go—whether they're hitting the jogging trails along the lake or leading to the water park or simply gathering with neighbors for a host of activities coordinated by the community's energetic lifestyle director.

With a full calendar of events that showcase the community's recreational amenities, residents enjoy fitness classes—such as the high-intensity fitness boot camp, along with Bunco, a book club and an array of special events—from a Halloween Trail of Treats to kayaking to dive-in movies.

There is an Art to Living and your journey begins in TUSCAN LAKES

Tuscan Lakes is built on the premise that the dream of a simpler life surrounded by the soothing beauty of the European countryside can be realized every day. The community takes the rich offerings of Tuscany, and places it within reach of every resident who wants to stop planning for "one day" and start living their dream today.
